**1 We do not accept hand-written applications.**

**2 Retrospective grants are not awarded, nor are grants for capital projects, core costs or salaries.**

**3 The Foundation would not normally make repeat grants within a period of less than two years.**

**4 Applicants should not assume that submission of this form implies that a grant will be awarded. In order to reduce costs, we regret that if you do not hear from us within 3 months you should assume that your application has not been successful.**

**5 Applicants should include with this form a copy of their most recent balance sheet or audited accounts, showing funds received from all sources, unless all this information is on their website.**

**6 The Foundation awards grants only to proven equal opportunities, bona fide applicants, and grants will be made on the basis of information received by us, to be used for the stated purpose.**

**7 Requests to support projects which are innovative and developmental, are particularly welcomed.**

**8 The Boshier-Hinton Foundation annually receives many more applications than it has funds to support. Even if a request complies with the Trust's policy priorities and Objects, it may not be possible to make a grant.**

**9 Typical grants may be up to £5,000.00. In exceptional cases more substantial amounts may be awarded.**

**10 Pledges, where given, are valid initially for 6 months. At this point we require a report on the applicant's fund-raising progress, without which our pledge becomes void.**

**11 The Foundation looks favourably on projects undertaken in partnership with other funding contributors, although grants of 100% are considered.**

**12 The Foundation attaches much importance to the assessment and dissemination of the results of work it has funded, so that others might benefit.**

**13 All organisations that are awarded a grant must confirm that they have in place Health and Safety, Vulnerable Persons, DBS, and Equal Opportunities policies, as appropriate.**
